Your trusted reference database to help patrons of all ages.

ON THIS DAY

Luck of the Irish

In 461 St. Patrick, patron saint of Ireland, died this day according to legend, and now his **feast day** is celebrated widely in Ireland and the United States.

Britannica Library is helping sustain libraries by putting a database of the very best and accurate sources at your fingertips

Switch between 3 different reading levels: Children, Young Adults, and the Reference Center for Adults, in order to share fact-checked, age-appropriate content on any subject.

Empower patrons by offering customized reading levels, a read-aloud option, article translation into 80 languages, and Merriam-Webster's double-click dictionary to look up any word in an article.

Enhance research with a database full of videos, maps, images, and world news integration, as well as many other support tools.

Trust Britannica Library as a reliable source with objective, fact-checked, and unbiased content that is written by experts and vetted through a rigorous editorial process.

Become an immediate expert ready to serve your patrons with our easy-to-implement technology, account support, and enhanced training.
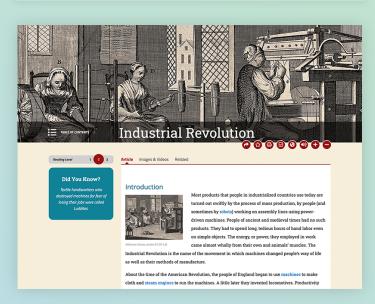

Expand your reach by providing both on-site and remote access to Britannica's complete database to patrons with a valid library card and ID.
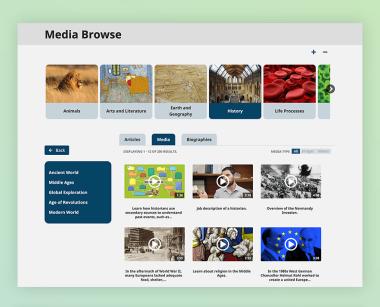

Britannica Library includes:

100,000+ fact-checked articles that all include the date they were last updated

Thousands of vetted journal and magazine articles with complete citations

Simple but advanced search tools including search access to the EBSCO database

100,000+ Merriam-Webster definitions in English and Spanish

Explore the world with Britannica's interactive atlas

Curated lists of other database resources that users can access
