The Britannica PreK-12 Bundle

Nurture Young Learners with Britannica School: Early Elementary

Inspire emergent learners to create, play, and explore in a vibrant, enriching environment with

Britannica School: Early Elementary. This engaging resource, with its leveled nonfiction articles and natural audio read-aloud features, makes learning enjoyable and accessible for beginning readers. It serves as the perfect launchpad for every young scholar's educational journey.

Spark Creativity in Young Minds with ImageQuest Jr.

Dive into a world of visual exploration with ImageQuest Jr., a delightful platform for PreK-5th grade students. It offers a user-

friendly interface and a vast collection of handpicked multimedia to pique their interest. This safe, controlled space allows young learners to explore without exposure to inappropriate content, and easy save-and-download features bring education to life.

Britannica School

Empower Students and Educators with Britannica School

Britannica School is the ultimate destination for K-12 learning, with authoritative information across subjects, including articles,

multimedia, and primary sources that captivate and stimulate critical thinking. This standards-aligned platform supports diverse educational needs with differentiated reading levels, interactive features, and multilingual translations.
