E-Book Curriculum Collections

Cost-Effective E-Book Collections to Meet Your Curriculum Needs & Budgets

Britannica's comprehensive [curriculum collections](#) offer a time-saving and economical way to make authoritative, curriculum-aligned content available in the classroom, in the library, or at home. Britannica titles in science, social studies, and language arts provide trustworthy resources for reading, writing, and research and create a solid foundation for your e-book collection. Choose from a variety of purchasing options—contact your sales representative for a title list and price quote.

✓ Contact Your Britannica Representative

We can arrange for your school or library to purchase Britannica e-books for access on our free E-STAX® platform. Send us an e-mail at contact@eb.com or call (800) 621.3900.

✓ Order from Your Preferred E-Book Provider

Our e-books are available through a number of partners, including 3M, Baker & Taylor, EBSCO, Follett, Gale, Mackin, OverDrive, and ProQuest. Contact your representative to add our titles to your e-book library.

✓ Visit Our Online Store (shop.eb.com/collections)

Browse our titles alphabetically, by subject, and by reading or interest level. Add them to your shopping cart and check out using a purchase order or major credit card!

Elementary Collections—Includes 680+ Titles!

Generate students' interest in science, technology, engineering, and math right from the start! Titles from our most popular elementary e-book collections immerse children in informational text that builds conceptual knowledge and critical-thinking skills.

NEW! E-Book Annual Subscription Plan

Introducing a simple, practical, and affordable way to build your e-book library... Britannica's trusted and highly acclaimed, nonfiction e-book collections are now available as an annual subscription!

With your subscription, you can enjoy year-long, unlimited access to a wide variety of e-books on our E-Stax platform. We can help you get started by selecting 75 titles to meet the per-building minimum of \$750, then each additional e-book you select will cost ONLY \$10!

Simply choose from our 40 convenient topical curriculum collections—more than 1,400 e-book titles and growing. Nonfiction texts are available for art, early childhood, language arts, math, science, social studies, and many other school subjects. They are perfect for the classroom, after-school programs, and homework help.

With E-Stax, you can access titles 24/7 from any Internet-connected device. Our platform also provides citations, social/sharing options, and the ability to take notes, bookmark, highlight, and save. Custom MARC records are also available for an additional \$50.

SPECIAL OFFER! Subscribe today and receive \$50 worth of free e-books.

“... The books are colorful and heavily illustrated, with large color pictures on the majority of the pages. The information is well organized, and the text style will appeal to young or reluctant readers. The covers feature a great deal of visual appeal.”

—Educator, Alabama Virtual Library
