Roll out Britannica School Insights to your Google district.

Support literacy skill development and ensure your students can bring a trusted research companion along with them on their Web searches with the FREE Google Chrome extension for Britannica School users.

Britannica School Insights, the extension for K-12 schools, enables students and teachers to cut through the noise on the Internet and get trusted and verified information from Britannica School at the top-right corner of their search results page.

Rolling the tool out to your district is easy.

1 **In your Google Admin console (at admin.google.com)…**

2 **Go to Devices > Chrome > Settings > Users & browsers.**

3 **On the left, select the organization containing the users you want to apply the settings for. For all users, select the top-level organization. Otherwise, select a child organization.**

4 **In the Apps and Extensions section, find the Force-installed Apps and Extensions setting and click the Manage force-installed apps link.**

5 **In the Force-installed Apps and Extensions window, select Chrome Web Store.**

6 **In the search box, type Britannica School Insights and click Add. The app will now show in the right pane.**

7 **Click Save.**

8 **Click Save once more at the bottom of the page.**
